

ADVERTISING
ON OUR WEBSITE

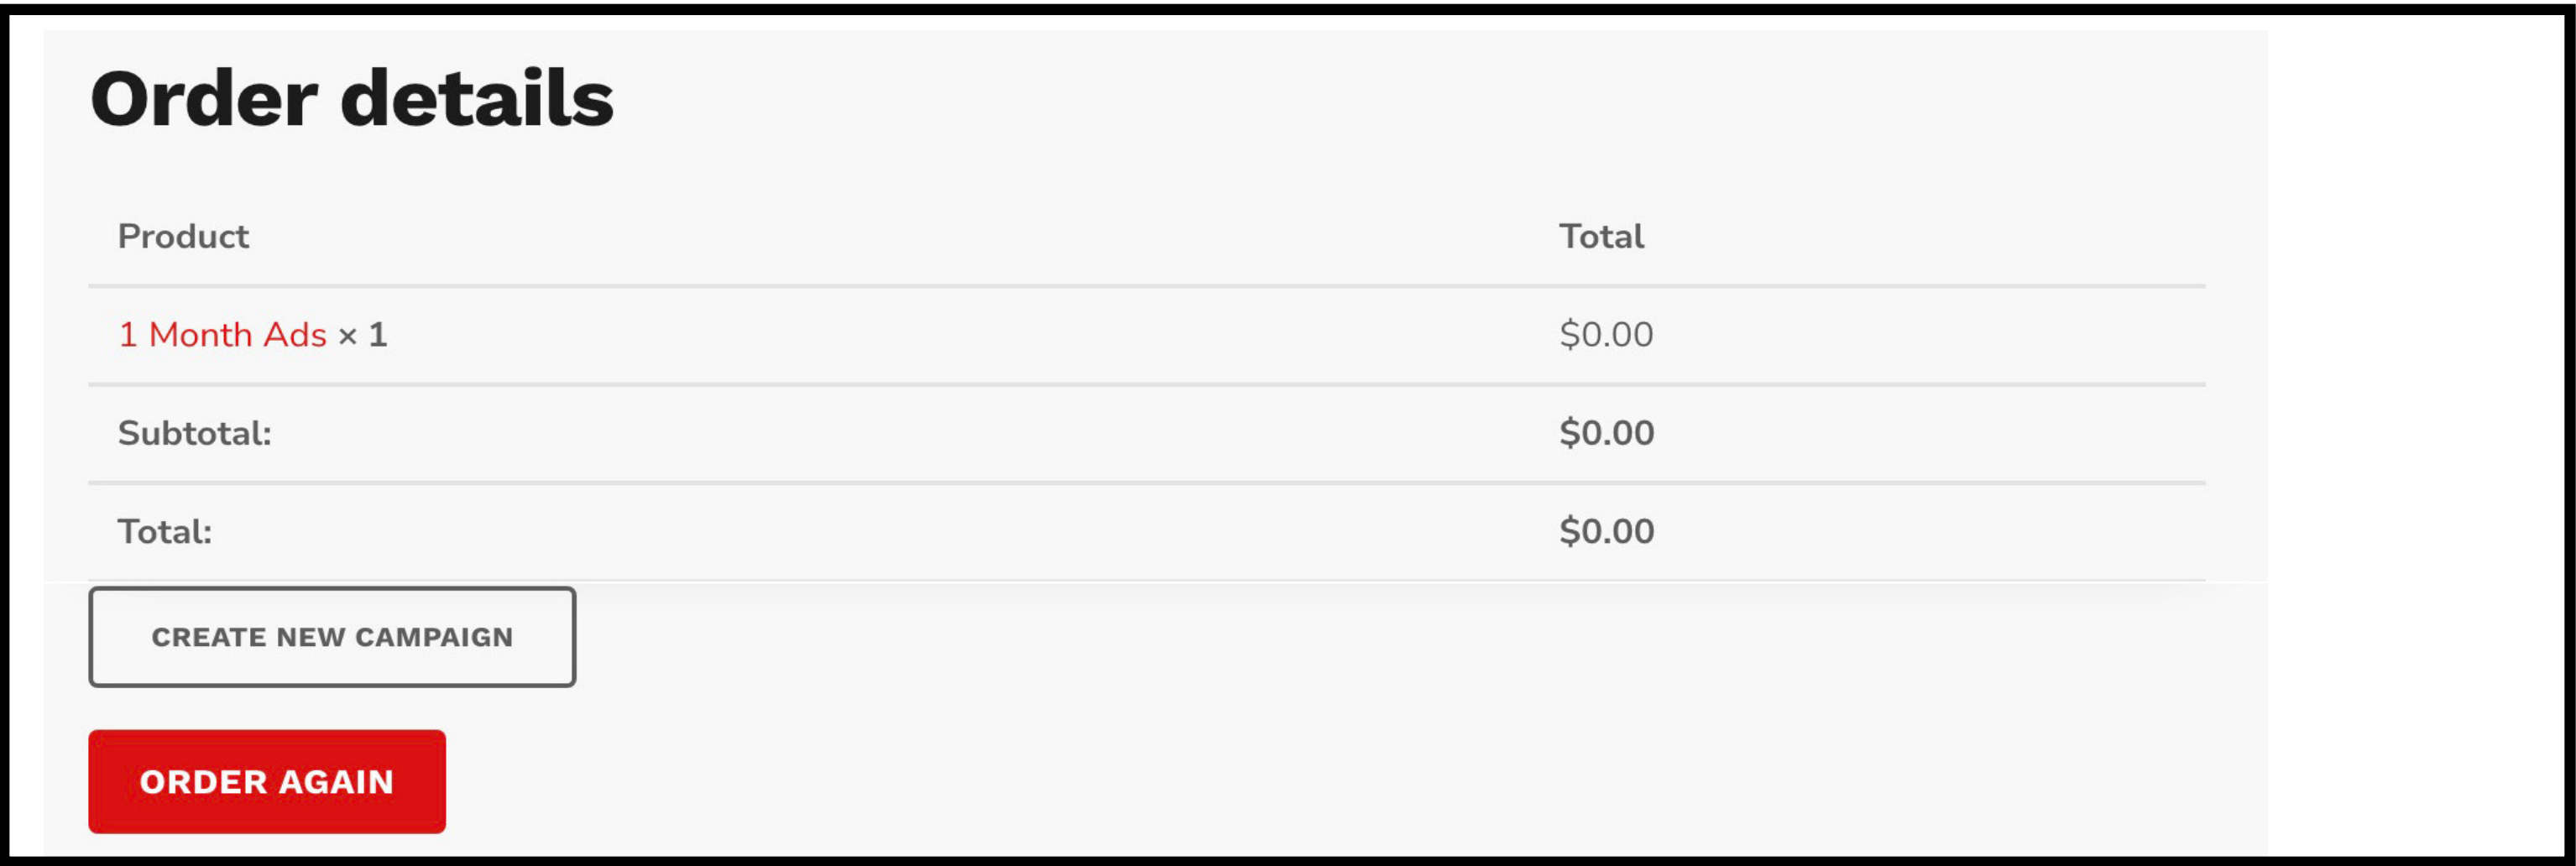

1. Open the “create campaign” link

After the order of a new Ad Campaign service, go to “My Account”.

Click “Orders > View” on your recent order.

From the Order Details, click “Create New Campaign”. The campaign will be automatically associated with this service.

2. Compile the form

- 1. Set a campaign name, for instance the name of the product or service that you are promoting. This information can be public.
- 2. Set your desired start and end date. They will be checked by our reviewers and can be edited to match the budget.
- 3. Banner link: the full URL of the page to open on click.
- 4. Reference phone and email: those information will be hidden and we can use them to contact you in the future for campaign-related subjects.
